Dear Parent/carer,

### **Changes to the Data Protection Law**

You may be aware that from the 25<sup>th</sup> May, the rules around data protection are changing. The ‘General Data Protection Regulation’ (GDPR) will change how we can use your personal data and keep it safe, and will also strengthen your rights over your own data.

The point of this is to make sure sensitive or private information about yourselves and your children stays safe. Whilst it is similar to the current Data Protection Act in many ways, there are a few differences, so we need to make a few changes at the school in order to ensure we remain compliant.

One of these changes is that we have updated our privacy notice. You will find it attached to this letter, a copy is also held on the website [www.boothferryprimary.co.uk](http://www.boothferryprimary.co.uk).

Please complete the attached slip and return it to school by Tuesday 5<sup>th</sup> June, to comply with statutory guidelines of acknowledgement, that you have received this information, that you understand what information is held and what it is used for, and in addition to this, confirm that you give Emergency consent (medical) should the need arise.

As part of the new regulations I have also attached a new data sheet for your child to be completed and returned to school by Tuesday 5<sup>th</sup> June. Please ensure this is completed correctly and fully.

If you have any questions about how the GDPR affects you, or how Boothferry Primary is preparing, you can contact Karen Lee, Data Protection Officer.

Yours faithfully

Karen Lee
