

'Working from Home' learning activities.

The activities for Summer Term 2 are for our new topic 'Sustainability'.

Accelerated reader quizzes can now be accessed from home using the following website:
<https://ukhosted6.renlearn.co.uk/2245355>

<p>English</p> <p>Research how we can recycle kitchen waste and write instructions on how to make compost. Include items which can and can't be composted, what you can use the compost for and don't forget to include a 'you will need' list. If you have a garden, you could even make your own compost bin to recycle your kitchen waste!</p> 	<p>Geography</p> <p>Research 'The Life Cycle of a Plastic Bottle'. Make a leaflet to explain why it is so important to recycle plastic.</p> <p>https://thekidshouldseethis.com/post/plastic-bottle-life-cycle-ted-ed</p>	<p>Science / DT</p> <p>Invent something to help the planet, for example, a water saving device or an alternative to plastic.</p> <p>Make a model of your invention.</p>	
<p>Science</p> <p>Think about the waste in your home. What items should go in which colour bin? How can you limit the amount of waste that goes in the grey bin?</p> 	<p>Reading</p> <p>Read a book and complete an Accelerated Reader quiz.</p> <p>https://ukhosted6.renlearn.co.uk/2245355/</p>	<p>Art</p> <p>Design your own 'Reduce, Reuse, Recycle' poster. The winning poster will be displayed in school.</p> 	<p>DT</p> <p>Find something that is no longer wanted in your home or garden and upcycle it into something new.</p> 
<p>Maths</p> <p>Make a fun game to help you practice your times tables</p> <p>Log onto TT Rockstars and Sumdog. Spend at least 30 minutes, three times per week on each app.</p>	<p>DT</p> <p>Make your own recycled paper (see extra sheet for instructions).</p>	<p>English</p> <p>Write a persuasive letter to Mr Sibley to convince him to recycle more in school or become an 'eco-school'.</p>	<p>Science / Maths</p> <p>Make a table and record the amount of electrical items which are turned on even though they're not in use. Does it change at different times of day or in different rooms. Can you make a bar chart / graph to show your findings.</p>

Challenge 1: BBC Bitesize have released lots of video lessons. They're releasing new lessons each day, can you complete at least 1 a day? <https://t.co/TwuyqFLBbO?amp=1>
Challenge 2: Document all the things you've done during 'lock down' and make a scrap book / piccollage that we can display in school. You could take photographs or draw pictures and include a written description.
