Our Vision

Enquiry – Resilience – Adaptability – Thoughtfulness

Respect – Co-operation – Communication – Morality

The Equality Act 2010

The **Equality Act 2010** replaced all existing equality legislation and consolidated many acts such as the Race Relations Act, Disability Act and the Sex Discrimination Act. It legally protects people from discrimination in the workplace and wider society and sets out the nine characteristics which are protected:

Protected Characteristics

- Age
- Disability
- Gender reassignment
- Pregnancy and Maternity
- Marriage and Civil Partnership
- Race
- Religion or belief (including lack of belief)
- Sex (gender)
- Sexual orientation

It is therefore, unlawful for Boothferry Primary to discriminate against a person, pupil, parent (this includes adoptive, step, foster or anyone who has parental responsibility) or, staff member (teaching and non-teaching) because they have one or more of the characteristics mentioned above. This includes discriminating against pupils in relation to admissions, the way education is provided to pupils, the way pupils are able to access any benefit, facility or service, excluding a pupil, or subjecting them to any other detriment.

Age is a protected characteristic in relation to employment and the provision of goods and services, however, this does not apply to pupils. We are able to admit and organise children in age groups and treat pupils in ways appropriate to their age and stage of development.

Definitions

Boothferry Primary recognises the different types of **discrimination, harassment and victimisation** as set out in the Equality Act 2010 and are therefore responsible for eliminating the following:

Direct discrimination – Treating someone less favourably because they have a protected characteristic

Discrimination by perception – Treating someone less favourably because it is believed that they have a protected characteristic, when in fact, they do not

Discrimination by association – Treating someone less favourably because they are associated with someone with a protected characteristic

Indirect discrimination – When a practice, policy or rule, which is applied to everyone in the same way, has a worse effect on some people than others i.e. it puts particular people at a disadvantage

Harassment – Unwanted behaviour which a person finds offensive, or which makes them feel intimidated or humiliated is unlawful under the Act if it is connected to any of the protected characteristics

Victimisation – Someone is treated badly because they have complained about discrimination or helped someone who has been the victim of discrimination

Reasonable Adjustments

Disability is defined as a physical or mental impairment that has a 'substantial' and 'long-term' negative effect on your ability to do normal daily activities.

Boothferry Primary is aware of the need to make **reasonable adjustments** in order to remove barriers faced by people with disabilities. This may involve treating disabled pupils or staff more favourably and taking steps to avoid the substantial disadvantage to a disabled person caused by a provision, criterion or practice applied by or on behalf of the school, or by the absence of an auxiliary aid or service.

In the Equality Act 2010, there are three elements to the reasonable adjustments duty that relate to: Provisions, Criteria and Practices, Auxiliary Aids and Services, and also, Physical Features. The physical features element does not apply to schools in relation to disabled pupils; instead we have a duty to plan better access for disabled pupils generally in relation to the physical environment of the school.

Boothferry Primary will take positive steps to ensure that disabled pupils can fully participate in the education provided by the school, and that they can enjoy the other benefits, facilities and services that the school provides for pupils.

There are various factors to be taken into account when considering reasonable adjustments and these include such things as the resources of the school, the financial cost of making the adjustment, assessing the extent to which the adjustment would be effective in overcoming the disadvantage, the practicability of the adjustment, health and safety requirements, the need to maintain academic, musical, sporting and other standards, the effect of the disability on the individual and, the extent to which special educational provision will be provided to the disabled pupil under Part 3 of the Children and Families Act 2014.

There is a significant overlap between those pupils who are disabled and those who have Special Educational Needs (SEN). Many disabled pupils may receive support in school through the SEN framework and in some cases, the substantial disadvantage that they experience may be overcome by support received under the SEN framework and therefore, there will be no obligation for the school or local authority to make reasonable adjustments. However, in other cases, a disabled pupil may need reasonable adjustments to be made in addition to the special educational provision that they are receiving.

Accessibility Plan

Boothferry Primary aims to increase the accessibility of provision for all pupils, staff and visitors to the school and therefore, an **Accessibility Plan** has been developed to ensure that:

- The extent to which disabled pupils can participate in the curriculum is increased
- The physical environment of the school is improved to enable disabled pupils to take better advantage of education, benefits, facilities and the services provided
- The availability of accessible information to disabled pupils is improved.

The plan is also structured to support the school's Equality Objectives and has taken into consideration findings from an Accessibility Audit, which was carried out May 2022 by members of staff. This Accessibility Audit will be undertaken on an annual basis and the Accessibility Plan will be reviewed at least every three years. OFSTED inspections may look at the Accessibility Plan and its implementation as part of their review.

The Accessibility Plan can be found in **Appendix 1**.

The Public Sector Equality Duty

Following the introduction of the Equality Act 2010, the Public Sector Equality Duty (PSED), came into force in April 2011. The PSED sets out the requirements for all public bodies when carrying out their day to day work and has two main parts:

The 'general' equality duty

The general duty requires Boothferry Primary to have 'due regard', or think about the need to:

- **Eliminate unlawful discrimination, harassment and victimisation and any other conduct prohibited by the Act**
- **Advance equality of opportunity between people who share a protected characteristic and people who do not share it**
- **Foster good relations across all characteristics between people who share a protected characteristic and people who do not share it**

All staff are responsible for having due regard for the three general equality aims.

The Act explains that having due regard for advancing equality involves:

- Removing or minimising disadvantages suffered by people due to their protected characteristics.
- Taking steps to meet the needs of people from protected groups where these are different from the needs of other people.

- Encouraging people from protected groups to participate in public life or in other activities where their participation is disproportionately low.

Details of how Boothferry Primary is working with due regard to the general equality duty aims are outlined in **Appendix 2**.

The 'specific duties'

The 'specific duties' require Boothferry Primary to do the following:

- Publish information annually to show compliance with the general equality duty.
- Prepare and publish one or more specific and measurable equality objectives at least once every four years and publish an update on progress towards these objectives annually.

Equality Objectives 2022-2026

As stated above, Boothferry Primary is required to set specific and measurable equality objectives. The development of these objectives has taken into account pupil data, attainment levels, evidence of any equality issues across all of our functions, issues that may be affecting people with protected characteristics and also acknowledged the three aims of the 'general' equality duty. These objectives have been agreed with the Governing Body, of whom Mrs Patricia Dyson is the Chair. Our objectives are set out below:

1	Prepare the school community for living in a diverse cultural world
2	Communications with pupils and parents are offered in clear and easily understood formats

Progress against these objectives will be reported on annually (please refer to **Appendix 2**).

Publishing Equality Information

The specific duties aim to promote transparency in schools and to increase accountability to parents, carers and regulators. The publication of non-confidential equality-related data and information about Boothferry Primary and its pupils will help parents to understand what we are doing to eliminate any potential discrimination, advance equality of opportunity and foster good relations. Published information will also be a resource for decision-makers within the school. Details of equality related information that we have published and the location of this data is outlined in the table below:

School Responsibilities

The Head Teacher/Head of Centres is responsible for:

- Providing accurate and appropriate information to the Governing Body to enable them to publish and demonstrate compliance with the Public Sector Equality Duty
- Making sure that steps are taken to address the school's stated Equality Objectives
- Ensuring that equality and accessibility plans are readily available and that the Governors, staff, pupils, parents and guardians know about them
- Providing regular information for staff and Governors about progress against the stated Equality Objectives and accessibility plan
- Making sure that all staff understand their responsibilities under the Public Sector Equality Duty and receive training and support to carry these out
- Ensuring that all policies and strategies when being developed, implemented and reviewed do not create inequality and have a positive impact by reducing and removing inequalities and barriers that may already exist
- Taking appropriate action in cases of discrimination, harassment and victimisation

All staff are responsible for promoting equality in the workplace, adhering to the regulations of the Equality Act 2010 and following the Boothferry Primary Equality Policy.

Appendix 1: Boothferry Primary Accessibility Plan 2022-2025

An Accessibility Plan has been drawn up in line with current legislation and requirements as specified in Schedule 10 (relating to Disability) of the Equality Act 2010. The Accessibility Plan has been developed to cover the three year period until September 2025 and is based on the findings of the recently completed Accessibility Audit.

The Accessibility Audit will be completed by the school every year in order to inform the development or revision of the Accessibility Plan and School Governors are accountable for ensuring the implementation, review and reporting of progress of the Accessibility Plan on an annual basis.

It may not be feasible to undertake all of the works during the life of this Accessibility Plan and therefore some items will roll forward into subsequent plans.

The plan shows the ways in which Boothferry Primary intends, over time, to achieve the following three aims:

- *Improve access to the physical environment of the school, adding specialist facilities as necessary. This covers reasonable adjustments to the physical environment of the school and physical aids to access education.*
- *Increase access to the curriculum for pupils with a disability, expanding and making reasonable adjustments to the curriculum as necessary to ensure that pupils with a disability are as, equally, prepared for life as are other pupils. This covers teaching and learning and the wider curriculum of the school such as participation in after-school clubs, leisure and cultural activities or school visits. It also covers the provision of specialist aids and equipment, which may assist these pupils in accessing the curriculum.*
- *Improve and make reasonable adjustments to the delivery of written information to pupils, staff, parents and visitors with disabilities. Examples might include handouts, timetables, textbooks and information about the school and school events. The information should be made available in various preferred formats within a reasonable time frame.*

The Accessibility Plan is structured to complement and support the school's Equality Objectives, and will similarly be published on the school website. It should be read in conjunction with the following school policies, strategies and documents: Behaviour Management Policy, Curriculum Policies, Emergency Plan, Health & Safety Policy, School Improvement Plan, Special Educational Needs Policy and the Teaching and Learning Policy.

Accessibility Plan 2022-2025

Aim 1 - Increase the extent to which disabled pupils can participate in the curriculum

Outcome	Action	Timescale	Responsible person	Resource implication costs/source of funding	Progress/evaluation
Children and adults All children are able to play a full part in curriculum opportunities and extracurricular activities	Promote opportunities for disabled sports Invite disabled athletes into school.	On-going (dependent on Sport Premium funding)	PE Co-ordinator	Sports Premium	Partnership work with the School Sports Partnership – 2022/23. Future funding will be spent on the employment of outside sport providers who will provide sport activities accessible to all. Ongoing
	Increase opportunities for disabled children to be involved in curriculum activities.	On-going	Deputy Head PE Sport Co-Ordinator	Sports Premium	Ongoing
	Support provided for children (eg those on an EHCP or with a health condition like diabetes) so that they may attend clubs.	On-going	Deputy Head Sport Co-Ordinator SENCo	Sports Premium	Ongoing
To have IT equipment suitable for disabled pupils (stakeholders) if needed	Purchase large keyboard, screen magnifiers, braille readers/writers if need arises.	If needed	Head	IT Budget	Ongoing
Improved Provision for developing communication skills of those new to English and children in the EYFS	‘Chatta’ and Chatterbox are used within the foundation unit. NELI is used within the EYFS to promote language development, alongside staff training and monitoring to ensure language is consistently modelled and scaffolded accurately. Existing staff are used and these interventions are timetabled in daily to ensure maximum impact. Timetabled in at times when staffing allows, ensuring quality of continuous provision is not impacted.	Ongoing	EYFS Lead	Foundation budget	Ongoing
Improved provision for developing communication skills of those new to English and children in the EYFS	SALT (Speech and Language Therapy) used throughout school. Specialised therapists are used to provide intensive blocks of therapy. A communication plan is then provided by staff in school to continue support. Children are then reviewed when needed.	Ongoing	SENCO and External Agencies	SEN Budget	Ongoing
A regular screening programme is in place for dyslexia and dyscalculia	Children are identified by class teachers if they show dyslexic or dyscalculia traits. Children are then screened to pinpoint areas of need so provision can be tailored appropriately.	Ongoing	SENCo	SEND Budget	Ongoing

Further knowledge of mental health issues	To identify training needs and undertake staff CPD in relation to mental health needs of children.	Review annually	Headteacher and Behaviour Support Worker	Training Budget	Mental Health of Children and well-being of staff is a school priority. Staff will have continual training on children's mental health on specified inset days. Links between PSHE, curriculum areas and the Google Cluster. Schools will continue to support children at Boothferry and within the school community. An online bank of resources will support parents/carers, children and staff. Mental Health and Well-being of the whole school community will continue to be a focus in 2022/23, especially with the impact of Covid-19 pandemic. Continual support will be offered to staff and their well-being following the effects of lockdown and keeping the school fully operational.
Application of knowledge of mental health issues and supporting strategies for staff	Recruitment of Senior Mental Health Lead in school. Mental Health First Aiders.	Review annually	Headteacher and SBM	DFE Training Grant - Senior Mental Health	Application for DFE training grant. Notice board in staff area promoting mental health and well-being resources.
To ensure virtual learning can be accessed by all children	Virtual learning in place to support those children who may be impacted by an illness or COVID that prevents them from attending school.	Ongoing	Head IT Coordinator	DFE/IT	Google Classroom was installed during the pandemic. Those children who do not have access to a device will have the opportunity to have a Chrome Book on loan from school. Google Classroom and Chrome Books have been funded through the DFE. Members of the SLT and IT are on hand to offer support over the telephone if required.
Children progress through the curriculum at an appropriate pace	Children's progress is monitored through assessments and pupil progress meetings. If progress is not being made at an appropriate pace then interventions and scaffolds are put in place to break down the learning. This is then reviewed termly.	Ongoing	SENCo	SEN Budget	Ongoing
Improving children's aspirations and knowledge of work	<ul style="list-style-type: none"> We recognise that a curriculum has to be broad and balanced and offer pupils opportunities to grow as individuals as well 				

	<p>as learners, in order to prepare our pupils for life beyond school in a diverse and ever-changing world.</p> <ul style="list-style-type: none"> • A primary focus of the curriculum at Boothferry Primary School is to raise pupils' aspirations, create a sense of personal pride and achievement, provide a purpose and relevance for learning and ultimately help every individual pupil find their strengths and interests. This curriculum is underpinned by our learning goals which permeates through everything we do and a holistic set of learning goals such as perseverance, enquiry, adaptability, resilience and compassion. • Boothferry provides all pupils with a strong foundation for learning, ensuring they are well prepared for the next stage in their journey. Throughout the curriculum, pupils acquire the necessary behaviours and habits to become effective life-long learners, developing enquiring minds and igniting their curiosity. All pupils are challenged in their school life; learning from failures and celebrating successes. Our curriculum empowers individual pupils, regardless of their starting point, to develop a passion for learning and a real thirst for knowledge. • The curriculum is coherently planned and sequenced allowing all pupils to further deepen their knowledge, skills and understanding in all aspects of learning. We recognise that the key skills of reading, writing, oracy and numeracy are crucial in equipping our pupils with the necessary skills to live in modern Britain, and given our diverse school context we focus on providing a language rich curriculum. • We understand that test outcomes are not our sole purpose. Therefore, we enhance our curriculum by providing our pupils with a wide range of new and exciting learning experiences such as learning to play a musical instrument, participating in school performances, sports tournaments and a wealth of extra-curricular clubs as well as attending educational trips and inviting visitors into school. • Our curriculum provision raises aspirations through providing our pupils with opportunities to deepen their understanding about where they live as well as being internationally minded which is defined as having an awareness of ourselves and others. We promote this through regular local and international fundraising events and charity work. • At Boothferry we firmly believe that our pupils should be given the opportunity to have a voice and to develop their leadership skills. Within school, pupils take on active

Appendix 2: Boothferry Primary's Annual Update on Progress towards the Equality Duty and the Equality Objectives (2021-22)

Compliance with the Equality Duty

As set out within the Public Sector Equality Duty (PSED), all public sector bodies are subject to the three aims of the 'general' equality duty, when exercising their functions, and must have due regard to:

- Eliminate unlawful discrimination, harassment and victimisation and other conduct prohibited by the Act;
- Advance equality of opportunity between people who share a protected characteristic and those who do not;
- Foster good relations between people who share a protected characteristic and those who do not

Further to the general duties of the PSED, as above, public bodies are subject to 'specific duties'. One of which, is to publish information to show compliance with the Equality Duty and how the three aims of the general equality duty have been considered as part of the decision-making process.

Please see the table below which shows how Boothferry Primary has paid due regard to the three aims:

General Equality Duty Aims	Examples/Evidence for 2021-22
Eliminate unlawful discrimination, harassment and victimisation and any other conduct prohibited by the Act	<ul style="list-style-type: none"> • Confidential meetings are held and detailed records are kept. • In the event of any exclusions or incidents relating to hate crime will be reported to governors termly through the Headteacher's Report. • Staff have received training on sexual discrimination, abuse and harassment, know how to identify and have procedures in place to report it. Behaviour and Safeguarding policies have been reviewed and updated. • Whole school training has taken place to develop the understanding of and promote inclusivity of all disabilities within the school community. • Staff understand the range of disabilities represented in school and in the wider society. • Staff make reasonable adjustments where necessary. • Staff have completed online Anti-Bullying training.
Advance equality of opportunity between people who share a protected characteristic and people who do not share it	<ul style="list-style-type: none"> • Educational opportunities and curriculum designed with needs in mind so that all children are included. • East Riding recruitment process followed to ensure equal opportunity for staff. • Risk assessments undertaken with protected characteristics. • All staff identify and address barriers in curriculum materials, resources and planning. Barriers are included in a provision map held on the server. • All curriculum materials and information are accessible. Information is presented in a variety of user-friendly ways. • Pupil achievement is monitored by race, gender and disability and any trends or patterns in the data that may require additional action to narrow the gap are addressed. • All staff are aware of the school's Equality Plan.

	<ul style="list-style-type: none"> • The talents of disabled pupils have been recognised and represented in Gifted and Talented programmes, representation on the programmes fully reflects the school population in terms of race and gender. • Children with disabilities take part in all aspects of the curriculum, including educational visits and journeys; lunchtime activities; PE/dance and assemblies. • There is an inclusive approach to ensuring all pupils are given the opportunity to make a positive contribution to the life of the school e.g. through involvement in the School Council by election or co-option); class assemblies; fund raising etc. • Extended school activities consider pupil needs/accessibility issues and the pupils that attend reflects the diversity of the school population in terms of race, gender, disability and socio-economic status. • Staff, pupils, parents and carers have been involved in the development of the Equality Policy through input and feedback from staff meetings, school council meetings, parents' evenings etc. • Recognition of the school's work within the Arts and the inclusivity of this, is reflected in the school achieving the Gold Artsmark in.
<p>Foster good relations across all characteristics between people who share a protected characteristic and people who do not share it</p>	<ul style="list-style-type: none"> • Promotion of positive images which reflect the diversity of the school and community in terms of race, gender and disability, for example in assemblies, books, publications and learning materials and in classroom/corridor display. • Children have been given the opportunity to interact with people from different backgrounds and build positive relationships, including links with different schools and communities. Projects such as mission trinity, visits to local care homes, partnership work with English as Additional Language (EAL) families. • Children are able to understand others and value diversity as well as place importance on shared values, awareness of human rights and how to apply and defend them. Teacher planning throughout the curriculum as well as taught sessions of PSHE, British values are also taught throughout the topic plans. Whole school assemblies encompass a range of themes. • Provided opportunities for pupils, families and the wider community to take part in activities, events and services which build positive interaction and achievement for all groups. This can be demonstrated through various events such as the SEND coffee morning as well as family learning/stay sessions.

Boothferry Primary collect information relating to pupils, or any other people who are affected by the schools policies and practices, who share a protected characteristic. This is used as a resource for decision-makers within the school.

Non-confidential equality-related data and information about Boothferry Primary and our pupils, is published in order to help parents understand what we are doing towards the three aims *(please refer to the 'Publishing Equality Information' section of the policy for details of the information the school has and where it is published)*.

Progress against the Equality Objectives

The other 'specific' duty is to develop and publish measurable equality objectives that are needed to further the three aims of the 'general' equality duty and to publish an update on progress towards these on an annual basis. The table below provides an update on Boothferry Primary's equality objectives for 2021-22.

Equality Objective	Progress in the last school year 2021-22
<p>Prepare the school community for living in a diverse cultural world</p>	<ul style="list-style-type: none"> • International curriculum fully up and running. • Celebration of a multi-cultural community which has included up to 21 different languages. • Overseas staff employed and celebrated for their talent and contributions. • Election process for members of school council. The school council has an annual visit to the Houses of Parliament this inspires and connects the young people with Parliament and democracy.
<p>Communications with pupils and parents are offered in clear and easily understood formats</p>	<ul style="list-style-type: none"> • Translated welcome packs. • Website and key documents translated. • Translator support SLT. • Homework help. • Outside agencies, SENSS, School Nurse and Hearing Impaired agency. • Translators for key meetings in school.
