

Nursery Spring Term 2024

Nursery will follow the Foundation Stage Curriculum. During the Spring Term, we will continue to develop our independence. We will have a greater focus on counting and listening to stories. We will have longer conversations about our family, our lives and the world around us. We will learn about different places around the world.

Phonics

We will continue to develop our Phase 1 phonics skills. We will learn about what sounds words start with. We will learn to recognise different pictures/logos.

PE (PD)

We will explore moving and travelling in different ways. We will strengthen our fine motor skills with 'funky fingers' activities.

Key Events

Valentine's Day
Dance Festival
Mother's Day event
Pancake Day
World Book Day

PSHCE (PSED)

We will begin to take turns and understand how we are feeling. We will start to talk about how we are feeling. We will learn to wash our hands with support. We will explore new and different areas of the classroom on our own. We will happily play alongside others.

Religious Education and Worldviews (UtW)

We will talk about Chinese New Year and make some Chinese themed crafts. We will also learn about the Easter Story.

Computing

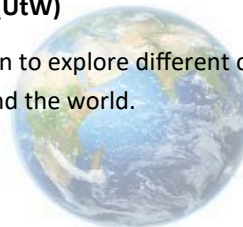

We will play interactive whiteboard games. We will explore direction and following instructions through games such as 'Simon Says'.

Science (UtW)

We will explore a range of different natural materials. We will talk about what we see outside and the changes we see and describe this.

Geography (UtW)

We will begin to explore different countries and places around the world.

English (CL/L)

We will learn simple action words and be able to follow them. We will learn lots of new words and use them when we are talking. We will talk about familiar things. We will have favourite stories, rhymes and songs and show an interest in words in our environment. We will explain what different marks mean in our pictures.

History (UtW)

We will understand our day to day routine in Nursery. We will be able to talk about things that are going to happen after school or at the weekend. We will talk about the people in our family and our pets.

Art and DT (EAD)

We will explore lots of different materials through fun activities in the classroom. We will enjoy playing in different role play areas.

Maths (M)

We will learn about numbers 1-5. We will talk about important numbers, e.g. how old we are. We will try to count amounts of things.

We will copy patterns made by an adult, e.g. copying a number of claps. We will understand a pattern such as turn taking. We will use words such as 'big' and 'small' to describe objects. We will recognise colours.

Music (EAD)

We will enjoy listening to lots of songs during carpet time. We will learn a simple song as a class and perform it to others.
