

Unit Objective:

To learn 10 colours and count from 1-10 in French.

By the end of this unit we will be able to:

- Say 10 common colours in French.
- Count from 1-10 in French

It will help if we already know:

- None as this is recommended as a starter unit.

Skills we will develop:

Learning to listen carefully and repeat what we hear with improving accuracy. Working on memory skills so we are able to remember the new words we have learnt in French long term.

Activities we will complete:

A lot of tasks to help us listen carefully. Repeating the words each lesson to ensure we can remember all the new words and language presented to us. Revising what we already know each lesson before learning new words so that we can improve our memory skills and remember 10 common colours and count from 1 to 10 in French.

Grammar we will learn & revisit:

None in this unit as it is an introductory unit.

Phonics & pronunciation we will see:

Recommended phonics focus: CH OU ON OI

- **ON** sound in **marron**
- **OU** sound in **couleurs** & **rouge**
- **OI** sound in **noir** & **trois**
- **Silent letters**. We will see that the letter 's' is not pronounced in **couleurs**, **gris** and **trois**. Some final consonants like 's' are nearly always silent letters in French.
- **Guttural 'R'**. Becoming more familiar with the French 'r' sound as seen in **rouge**, **marron**, **vert**, **orange** and **trois**. Made from the back of the mouth, not the front.

Vocabulary we will learn & revisit:

Ten common colours and how to count from 1 -10 in French. This is all listed on the Vocabulary Sheet.
