

Embracing Diversity, Building a Brighter Future Together

Dear all,

Happy New Year! We have had a wonderful, albeit chilly, start to the term with lots of exciting events happening.

As I'm sure you are aware, we are in the middle of 'The Great Boothferry Bake-off'. This is a fiercely contested annual event that gives the whole school and every child the opportunity to design and bake a judged item within their year group. Linked closely to the National Curriculum, each age group have a competition, with the winning entry being submitted for our grand final that will take place on Friday 17th January. This year our theme is:

We are very excited to be supporting Goole Vikings Rugby club in their first professional season and have based our work around the dietary needs of a sportsman.

EYFS, Year 1 and Year 2. Their task is to create a healthy breakfast bar full of everything a professional athlete needs.

Year 3 and Year 4. Their task is to create a healthy post-game cake. We are thinking muffins/tray bakes, with honey, fruit, etc. used a sweetener.

Year 5 and 6. Their task is to adapt a bread recipe to enhance the healthiness. We are thinking wholemeal, chia seeds, etc. They also have to accompany this with a protein filling.

We are thrilled to announce our judges as ex-England international and Goole Vikings Captain Brett Ferres, alongside Goole born and bred, Tom Halliday.

Over the next year, the school will be supporting Goole Vikings in a variety of ways, including the day before their big cup game against London Broncos, with a 'Wear something Red/Black' on Friday 24th January. This will be non-uniform with red and black as the theme.

Other events this week have included a wonderful trip to the Houses of Parliament for the school council and the annual Young Voices concert for Year Six (who sold out Sheffield arena). The children on both trips represented the school beautifully.

Best wishes,

M Sibley
